Training Event Viewer

Logging In

Logging in

To learn more about the login process, refer to the content below.

Before accessing the page, the instructor must be authorized to login. Only the CSMs have the ability to grant that access, so make sure to communicate with Isabelle C, Max T and/or Michel D before logging in.

1 URL

The url (web address) must be correct. Ensure to the following url: <https://eventviewer.rise.cae.com>.

Web shortcuts will also work and are recommended to avoid typographical errors.

3 Web browser

We recommend the use of Google Chrome or Safari as web browsers. CAE Rise TEV will not have its full functionality in other web browsers.

2 Email address

Use your instructor email address to login, e.g. xxxxxxx@cae.com.

Note:

New users will see a EULA window open that must be reviewed and acknowledged prior to continuing.
