Upcoming Sessions Overview

Upcoming Sessions

Once you're logged in, you will have access to the Upcoming Sessions screen where you can view all the information available about a training session.

Here you will see your schedule for the next five days plus any completed sessions from the past three days.

Sessions beyond 24 hrs are greyed out and can only be previewed.

The screenshot displays a calendar view of upcoming sessions. A vertical timeline on the left shows dates from Tuesday, January 26 to Thursday, January 28. Sessions are listed in a grid format. Callout 1 points to the user account icon in the top right. Callout 2 points to the session date. Callout 3 points to the session details (location, time, and course name). Callout 4 points to the client names. Callout 5 points to the session type (CLASSROOM). Callout 6 points to the status (READY TO GRADE).

Date	Session Details	Client 1	Client 2	Status
TUE JAN 26	St-Laurent Introduction Room N393 Tuesday, 07:00	Rafael Belanger	Julien Le Sage	CLASSROOM (GRADING)

1 User Account:

This is where you can access your user account where you'll be able to find helpful articles or logout from the session.

2 Session Date:

This represents the date of the session located right next to it. If the date is greyed out, the session can only be previewed.

3 Session Details:

You'll be able to find the training session details here, such as location, time, training type and more.

4 Clients:

This lists the name of the clients that will go through the training.

5 Session Type:

This lets you know what type of training session this is: Full Flight Simulator, Flight Training Device or classroom.

6 Status:

This tells you whether the session status is Grading, Ready to Grade or in Preview.
