Positive Comments

# Positive Comments

When you give a client a grade of 4 on a particular task, you will need to provide comments to justify the grade.

This will help the CAERise app administrators understand the circumstances that deserve this type of grade. Refer to the following for more details.

## 1 Task Needing a Comment

The task(s) that received a grade of 4 will be listed here.

## 2 Comment Text Field

You can enter the comments regarding the above standard grade in this field.

## 3 Progress Bar

Once your comments have been entered, the Comments section of the progress bar will be updated.
