# CAE**Rise** eGrading

Developmental Comments

Developmental Comments

When you give a client a grade of 1 or 2 on a particular task, you will need to provide comments to justify the grade.

This will help the CAERise app administrators understand the circumstances that deserve this type of grade.

1 Task Needing a Comment

The task(s) that received a grade of 1 or 2 will be listed here.

2 Comment Text Field

You can enter the comments regarding the below standard grades in this field.

3 Progress Bar

Once your comments have been entered, the Comments section of the progress bar will be updated.
