

CAERise eGrading

Grading Methodology

Grading Methodology

Grading is an integral part of the CAE Rise App.

Each session is broken down in multiple tasks that clients must complete to receive a grade between 1 and 4. The grading methodology is as follows:

1 & 2 = Below Standard

3 = Standard

4 = Above Standard

The screenshot shows the CAERise app interface for a 'Training Session'. At the top, there's a header with 'CAERise' and a user profile icon. Below that, a navigation bar shows 'Training Session' with a back arrow. The main content area is titled 'SA' and includes a 'TRY-OUT' button. On the right, there's a 'DOCUMENTS' menu with options like 'Hide Grades' and 'Collapse All Tasks'. A large green circle with the number '3' is overlaid on this menu. Below the header, there are two client profiles: 'Client Name A' and 'Client Name B'. The session title is 'A320 Standard Type Rating Course | Tuesday Feb 16, 14:34'. The 'Session Gratings' section lists tasks. The first task is '1. Preflight Procedures' with a grade of '1' (highlighted by a green circle '1') and a 'FLYING' status. A green circle '2' is overlaid on the grade '1'. Below the task name are four buttons labeled '1', '2', '3', and '4', and a speech bubble icon with a '+' sign. A 'MANDATORY' tag is on the right. A 'DETAILS' link is below. The second task is '2. Taxiing - Procedures' with a grade of '4' (highlighted by a green circle '4') and a 'FLYING' status. A 'MANDATORY' tag is on the right. A 'DETAILS' link is below. At the bottom, there's a summary bar with statistics: '0 Carried-Over', '0/0 Add-Ons', '0/25 Tasks', '0 Not Completed', '0 Not Applicable', and '0/2 Comments'.

1 Task Name

This is where you'll find the name for each task that needs to be completed during the session.

2 Grades

The grades range from 1 to 4. Grades 1 and 2 are below standard (some below standard grades have a red background). Grade 3 is standard and grade 4 is above standard.

3 Task View

To edit the task view, you can click on the three dots to access viewing options. The menu allows you to expand/collapse all tasks and view/hide the grades.

4 Comments & Details

The details of a task are notes associated with the task and often relates to the level of automation. To view the details of a task, click on **DETAILS**. To add a comment to a task, click on the speech bubble with the + sign and write your comment.
