Editing a Course

To edit a course in CAE Rise Editor, all you need to do is select the imported course from the list in the Courses tab.

To learn more about editing a course, refer to the content below.

The screenshot displays the CAE Rise Editor interface. On the left, a sidebar contains navigation options: Tasks, Change Requests, Customers, Dashboard, Courses, Lessons, Modules, Tasks, Change Requests, Customers, and Administration. The main area shows a list of courses with columns for Designator (Stars), Course Name, Course ID (Stars), Category, Recurrence, Date, and User. The course 'GULF5-LJT1' is highlighted with a yellow box and a '1' in a yellow circle. Below the list, the 'Gulfstream V - LJT1' course details are shown, including a 'PREVIEW' button, category 'Regulatory EASA', and an 'EDIT' button with a '3' in a yellow circle. The details section includes tabs for Description, Training Requirements, Units, and Compliance, and a table with fields like Designator (Stars), Course ID (Stars), Category, Client Types, Customers, Program, Regulatory Agency, Notes, Course Version, Managed By, NextGen Enable, and Number of Days.
