- Assign Lesson
- Define As Exam

1 Units Tab

To view the units, click on the **Units** link.

2 Unit Details

The unit details lists the Unit Name, Unit Designator, the Lesson Name, Session Type and Phase Check.

3 Phase Check

The Phase Check option allows you to assign particular lesson to the unit or define a unit as an exam, which will prompt you to provide the time allotted for the exam and determine a grading scale.

To access the Phase Check options, click on the three dots.
