My Change Requests

When you create or edit a course, lesson, module or a task, each change generates a change request that must be submitted for approval. You can view your requests as soon as you login and gain access to the Dashboard. For more information on your change requests, review the following information.

The screenshot shows the CAERise Editor interface. On the left is a navigation sidebar with items: Dashboard, Courses, Lessons, Modules, Tasks, Change Requests, Customers, and Administration. The main content area is titled 'Dashboard' and features a 'My Change Requests' section. This section contains a table with three columns: 'Name', 'Modified by', 'Last Update ↓', and 'Status'. The table lists three requests, all in 'DRAFT' status, made by 'Ludwig René' on 25-Mar-2021. Callout numbers 1 through 5 are placed on the screenshot to highlight specific elements: 1 points to the 'My Change Requests' title, 2 points to the 'Name' column, 3 points to the 'Modified by' column, 4 points to the 'Last Update' column, and 5 points to the 'Status' column.
