Editing a Lesson

## Editing a Lesson

Once you've created a lesson, you will need to add various tasks to that lesson in order for it to be complete.

To learn more about editing a lesson, review the information below.

The screenshot displays the CAERise Editor interface. On the left, a sidebar contains navigation links: Dashboard, Courses, Lessons, and Modules. The main area is titled 'Lessons' and shows a list of lessons. The first lesson, 'Test Lesson 001', is highlighted with a callout '1'. Below the list, the 'CAERise Editor' interface is shown for 'Test Lesson 001'. The page title is 'Lessons / Details' and 'Test Lesson 001'. Below the title, there is a 'DRAFT' status and metadata: Type Simulator, Created by L. René, Created on 28-Mar-2021, Published by L. René, Last Update 28-Mar-2021, 21:10. A 'Plan Of Action' section is highlighted with a callout '2'. Below this section is a large dashed box with the text 'Drag and drop a task before'. To the right, there is a 'Tasks Link' section highlighted with a callout '3'. Below this link is a search bar with the text 'Search Keywords' and a callout '4'. Below the search bar is a list of tasks, with the first task highlighted by a callout '5'. The tasks are: Acceleration / Deceleration, Trim changes; Acceleration to / Deceleration from VMO/MMO; Aeroplane Visual Inspection; After Landing Procedures; and After Landing Procedures - Shutdown. The total number of tasks is 105 of 206.

### 1 Lesson to Edit

Click on the lesson you'd like to edit to open it.

### 4 Search Feature

In order to find the exact task that you are looking for, you can use the search feature and add the right keywords to find what you're looking for.

### 2 Plan of Action (POA)

The plan of action is essentially a lesson plan where all the tasks will be located and presented in the order you determine.

### 5 Available Tasks

The task menu is where you'll find all the available tasks that can be added to the plan of action. To add a task, simply drag the task from the list and drop it into the POA.

### 3 Tasks Link

The task link will give you access to the tasks.
