Creating a Lesson

Creating a Lesson

You cannot have a well-rounded course without carefully chosen lessons. To create lessons, you will need to select the tasks that trainees must complete in order to meet the proper standard.

To learn more about creating lessons, refer to the information below.

1 CREATE LESSON Button

To create a lesson, click on the **CREATE LESSON** button.

2 Lesson Name

This will open a window where you will need to enter a lesson name and select a session type.

3 Classroom

Select the classroom session type for lessons that will take place in a classroom.

4 Simulator

Select the simulator session type for lessons that will take place in a simulator.

5 CREATE Button

Click on the **CREATE** button to create the lesson.

Creating a Lesson

The screenshot shows the CAERise Editor interface. On the left is a navigation sidebar with options: Dashboard, Courses, Lessons, Modules, Tasks, Change Requests, Customers, and Administration. The main area is titled 'Lessons' and shows a list of 132 lessons. A 'CREATE LESSON' button is in the top right. A table lists lessons with columns: Name, Type, Last Update, Published by, and Status. The first row, 'Test Lesson 001', is highlighted with a yellow box and a callout '6'. Its status is 'DRAFT', highlighted with a yellow callout '7'. Other lessons include 'New Classroom Lesson 2', 'Simulator Test Lesson', and 'CAE - EASA - Initial Type Rating-Global 6000/5000 (GVFD)-S6 Copy Copy'.
